

Community survey for the Grantown Society

Your opinion matters!

The Grantown Society is investigating the potential purchase or lease of a building in Grantown on behalf of the community. They have recently been awarded a grant from the Scottish Land Fund (SLF) to prepare an Options Appraisal, Feasibility & Business Plan, which SKS Scotland CIC has been commissioned to write. This community survey will help inform and develop this work and, if the purchase, development and management of the building / new building is deemed feasible, it will assist in an SLF stage 2 application.

Please ask each member of your household who is 14+ years old to complete the survey in order to provide the most complete representation of our community. Let us know your views by 25th October, by filling out this survey online (<https://www.surveymonkey.co.uk/r/TheGrantownSocietycommunitysurvey>) if possible. Alternatively, paper copies can be picked up and returned to The Grantown News (Post Office) and the Grantown Remakery.

THANK YOU!

No identifiable information will be shared with anyone outwith the research team. If you require any help with this survey please contact Bill Sadler, tel: 07709270044 or email info@thegrantownsociety.org.

You can also use this QR code to access the survey on-line:
